

# Humiome® Post LB Gummies

Postbiotic for healthy gut performance

- Humiome® Post LB is a pioneer postbiotic supported by 10+ human clinical trials
- Helps shield the gut from undesirable bacteria and works in synergy with the microbiome to help improve gut health and immunity
- Delightful gummies powered by Peach+, flavour of the year and by the heating sensation of our Novasense® technology
- Experience the mouthwatering authentic taste of peach and feel the cozy warmth spread through your mouth, enhancing the wellness effect from the inside out
