

## Premix Solutions

# Fast-paced innovation & full integration

**dsm-firmenich takes you beyond ingredients to custom nutrient Premixes. Made with your consumers at the heart.**

As your end-to-end partner, we help you co-develop desirable and sustainable science-backed solutions to support you from concept to consumer.

Together elevating health.

01

## The problem

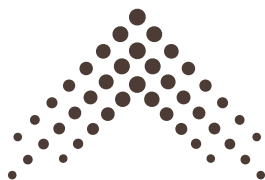

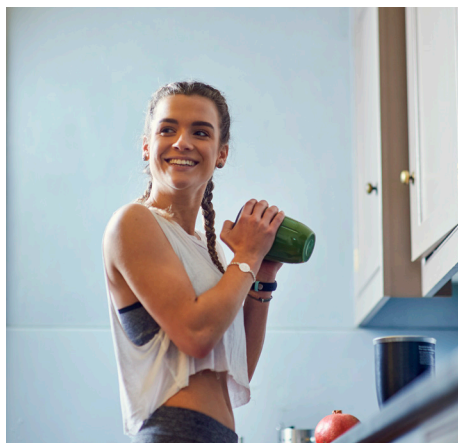

When it comes to their health, your consumers don't want to wait. They want high-quality, readily available products that are guaranteed to work every time. Which means you not only need to get your ingredients from a quality source, you need to get your products to market fast.

02

## Our solution

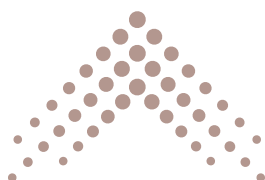

We are backward integrated with our vitamin solutions and forward integrated with Market-ready Solutions. Plus, we can deliver superior quality custom solutions for your consumers by using our research and applications to innovate at speed.

When you work with us you get access to our extensive portfolio of over 500 owned ingredients and over 2000 partner and 3rd party ingredients. Our deep relationships with over 45 contract manufacturers around the world can help you scale quickly and efficiently.

# 500+

on-trend, science backed  
dsm-firmenich ingredients.

Utilize our research and  
applications to innovate  
at speed.

# 2K+

Partner and  
3rd Party Ingredients

Relationships with over  
45 contract managers globally  
to help you scale.

A healthier world takes more than just ingredients.  
It takes an end-to-end purpose-led partner.

We bring progress to life.
