

Premix Solutions

Unmatched
formulation,
technical &
regulatory expertise

dsm-firmenich takes you beyond ingredients to custom nutrient Premixes. Made with your consumers at the heart.

As your end-to-end partner, we help you co-develop desirable and sustainable science-backed solutions to support you from concept to consumer. Together elevating health.

01

The problem

Simultaneously perfecting every aspect of a formulation can be challenging. Especially when working with multiple suppliers. But your consumers don't want to sacrifice safety or quality on their journey to better health. They want risk-free, nutrient-dense, tasty products made by the best formulation experts in the business.

02

Our solution

All-in-one formulas that are simultaneously optimized for stability, shelf-life, and uniformity. All of our Premix sites have hundreds of ingredient forms to solve compliance and formulation hurdles. Plus, we have a huge portfolio of flavor and sensorial services for flavor-smart Premixes that are tailored to your consumers' needs.
