## Read the Terms of Use and accept them at the bottom of the page to continue

12.7 The Security Holder acknowledges and agrees that the registration or the revocation thereof, or the grant or revocation of a proxy, using the Security Holder Signing Procedure set out in clauses 12.2 through 12.4 above, constitutes a validly signed registration, proxy or revocation thereof for the relevant General Meeting.

12.8 The Security Holder acknowledges and agrees that the Security Holder Signing Procedure set out in clauses 12.2 through 12.4 above is sufficiently secure for the purposes for which it is employed and shall have the equivalent legal effect of a handwritten signature of the Security Holder vis-à-vis ABN AMRO, the Issuing Institution, and any other third party.

**13. Virtual Participation**

13.1 To the extent enabled by the Issuing Institution, the Security Holder is able to virtually attend, vote, and/or participate in a specific General Meeting, through the Website.

13.2 In order to register for virtual participation in a General Meeting, the Security Holder must:

- (a) access the Website using its credentials;
- (b) input onto the Website the mobile phone number of the Security Holder provided to the Intermediary for verification of his identity and holdings;
- (c) read and reconfirm the Security Holder's agreement with these Terms of Use; and
- (d) confirm the registration for virtual participation.

13.3 The identity of the Security Holder and the accuracy of data submitted by the Security Holder must be verified and confirmed by the Intermediary specified by the Security Holder through the Website. The Intermediary will inform ABN AMRO and the Security Holder of any incorrect data and request that the Security Holder adjust the incorrect data.

13.4 If the Security Holder fails to adjust any incorrect data before the end of the term during which the Security Holder can apply to attend a specific General Meeting virtually, then the application for virtual attendance will be deemed not to have taken place and the Security Holder will not be able to virtually attend that General Meeting. Without prejudice to the requirements for virtual attendance of a General Meeting referred to in clause 13.5, the registration for the General Meeting is successful once the Intermediary has successfully completed its identification and verification described in clause 13.3 and this clause 13.4 and subsequently confirmed the Security Holder's request for registration to ABN AMRO through the Website.

13.5 After a successful registration, in order to attend the General Meeting virtually, the Security Holder will receive a unique identification number through the mobile phone number provided by the Security Holder to its Intermediary and through the Website, along with a set of credentials from ABN AMRO. These will allow the Security Holder access to virtual attendance for that General Meeting.

13.6 The Security Holder acknowledges and agrees that its application to attend a General Meeting virtually, as confirmed by the Virtual Participation Signing Procedure set out in clauses 13.2 through 13.4 above, constitutes a validly (electronically) signed application for such attendance.

13.7 The Security Holder acknowledges and agrees that its attendance at a General Meeting shall be confirmed by its accessing the meeting through the Virtual Participation Signing Procedure set out in clauses 13.2 through 13.4 above, and any input submitted through the Website during such attendance, including any votes cast, shall be considered to have been submitted by the Security Holder.

13.8 The Security Holder acknowledges and agrees that the Virtual Participation Signing Procedure is sufficiently secure for the purposes for which it is employed and shall have the equivalent legal effect of a handwritten signature of the Security Holder vis-à-vis ABN AMRO, the Issuing Institution, and any other third party.

**SECTION C - TERMS APPLICABLE TO INTERMEDIARIES**

**14. Registration and Proxy**

14.1 Through the Website, an Intermediary, acting in the name and on behalf of a Security Holder, can register this Security Holder for participation in a specific General Meeting or revoke its registration, or grant or revoke a proxy.

14.2 In order to complete or revoke a registration or grant or revoke a proxy, the Intermediary must complete the Intermediary Signing Procedure. To do so the Intermediary must:

- (a) access the Website using its credentials;
- (b) verify and confirm the identity and holdings of the Security Holder as well as the number of shares registered into the accounts in the name of the Security Holder on the record date of the relevant General Meeting;
- (c) read and reconfirm its and the Security Holder's agreement with these Terms of Use; and
- (d) confirm the registration, grant of the proxy or the revocation of either.

14.3 Upon completion of the registration, the Intermediary will receive a registration certificate for the Security Holder that it has registered. The Intermediary must provide this registration certificate to the Security Holder, who must bring it to the General Meeting as proof of registration.

14.4 The Intermediary acknowledges and agrees that the registration or the revocation thereof, or the grant or revocation of a proxy, using the Intermediary Signing Procedure set out in clauses 14.2 and 14.3 above, constitutes a validly signed registration, proxy or revocation thereof for the relevant General Meeting.

14.5 The Intermediary acknowledges and agrees that the Intermediary Signing Procedure set out in clauses 14.2 and 14.3 above is sufficiently secure for the purpose for which it is employed and shall have the equivalent legal effect of a handwritten signature of the Intermediary vis-à-vis ABN AMRO, the Issuing Institution and any other third party.

14.6 The Intermediary who uses the Website, acting in the name of and on behalf of a Security Holder, shall: (a) only do so on the basis and within the scope of a legally valid power of attorney; (b) comply with any requirements under or relating to such power of attorney; and (c) provide the documentation proving the authority to act in the name of and on behalf of the Security Holder to ABN AMRO, the Issuing Institution, the civil law notary or any other person who is entrusted with the registration procedure and/or proxy voting procedure for a specific General Meeting on first request.

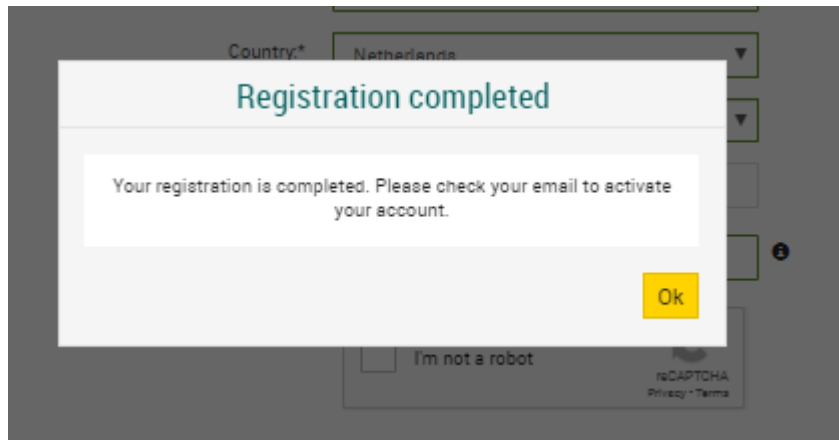

14.7 The Intermediary shall: (a) verify the identity of the Security Holders and the number of shares registered into the accounts in the name of the Security Holders on the record date; and (b) confirm the Security Holders' requests through the Website as part of the Security Holder Signing Procedure, Virtual Participation Signing Procedure, and the Intermediary Signing Procedure. The Intermediary guarantees to ABN AMRO that it shall accurately verify the identity of Security Holders and confirm their requests using methods and means appropriate to the task. The Intermediary shall fully indemnify and hold harmless ABN AMRO from any damages, expenses or losses incurred by ABN AMRO as a result of inaccuracies, errors or omissions in the Intermediary's verification of Security Holder's identity and authentication of the Security Holder's requests through the Website.
