

Pet food portfolio – North America

Elevate pet health

Science-backed sustainable nutrition.
Tailored for pets. Trusted by pet parents.

At dsm-firmenich, we believe that pets are part of the family. That's why we've dedicated decades of science-based research and expertise, leading technology, and substantial investment in innovation to craft delicious, nutritious, and sustainable solutions for cat and dog applications.

dsm-firmenich 

Create delicious, nutritious, and sustainable solutions for cat and dog applications

Our pet food portfolio is designed to provide pets with the same level of care and attention that pet parents give to their furry friends. We focus on science-backed formulation, microbiome innovation, irresistible taste experiences, and sustainable practices to help pet food manufacturers create premium pet food, treats and supplements for cats and dogs.
